Re: Microsoft v. Doe, 26-cv-03737 (RA) (SEALED CASE) – Letter re Request to Clarify Scope of Sealing

Dear Judge Abrams:

We thank the Court for its May 15, 2026, order, permitting Microsoft to redact and file or otherwise maintain certain documents under seal.

Through conversations with the Clerk of the Court in preparation for the partial unsealing of this case, we realized that our May 15, 2026, application did not seek the sealing of that application itself, and accordingly, we write separately here to respectfully request maintaining our May 15, 2026, application under seal in its entirety (because it sets forth the basis for redacting or sealing other documents, the purpose of which would be defeated if that application were unsealed).

Accordingly, for ease of reference by the Court and the Clerk of the Court, we set forth below the list of documents that, pursuant to the Court's order of May 15, 2019, and this application, would remain under seal on and after May 19, 2026, pending further order of this Court:

Date Filed	Documents to Remain Sealed Until Further Order of this Court

Because this request relates to a matter that has been filed under seal, pursuant to the Court's Order in 26-mc-00197 (PGG), the Court's Individual Rule 1.A, and the Court's Electronic Case Filing Rule 6.14, it has likewise been filed under seal, in paper form.

Respectfully submitted,
