Dear Judge Abrams:

Pursuant to the Court's direction at the Order to Show Cause Hearing on Friday, May 22, 2026, we write to provide an update regarding [redacted] the justification for continued sealing of portions of the record in this case.

[redacted]

Notably, although we have served John Doe 1, and it is now public that Microsoft has worked to disrupt the Certificate Abuse Enterprise and obtained control of their infrastructure[redacted] because, with the Court's permission, we have consistently redacted those details from our submissions before they were unsealed.

[redacted]

Mayer Brown is a global services provider comprising an association of legal practices that are separate entities including Mayer Brown LLP (Illinois, USA), Mayer Brown International LLP (England & Wales), Mayer Brown Hong Kong LLP (a Hong Kong limited liability partnership) and Tauil & Chequer Advogados (a Brazilian law partnership).

For the reasons above, Microsoft respectfully requests that the sealed documents in this case remain sealed for a period of 60 days to Monday, July 27, 2026. To keep the Court apprised of the basis for continued sealing, Microsoft respectfully suggests that we provide another letter [redacted] and any justification for continued sealing in this case on or before that date.

This letter is submitted in accordance with the Court's Individual Rule 1.A.

We thank the Court for its consideration.

Respectfully submitted,
