

As discussed in Microsoft's brief in support of this motion for default judgment and permanent injunction, Microsoft requests an order entering default judgment against the Defendants who have failed to answer, plead or otherwise defend this action, and a permanent injunction preventing Defendants from continuing their harmful activities by providing Microsoft control over the existing Gamarue domains.

The requested relief is necessary to halt the Gamarue operation that is causing irreparable injury to Microsoft and its customers. Microsoft respectfully requests that the Court grant this Motion.
